

FauZie As'Ad

Since 1993, FauZie has held several solo exhibitions in U.S.A., Greece, the Principality of Liechtenstein, Switzerland, Germany and Indonesia. He has also participated in numerous group exhibitions in Indonesia, U.S.A., Germany, the Principality of Liechtenstein, Switzerland, France, the Republic of Senegal, Italy and China. In 2000-2001, FauZie received a cultural scholarship from the Government of Liechtenstein to study Fine Art in Berlin, Paris and London. Other scholarships include the Cultural Scholarship from VP Bank Vaduz, Liechtenstein in 1987 and the Supersemar Scholarship from the Department of Culture and Education, Government of Indonesia in 1990-1993. FauZie is now working as an artist in the Principality of Liechtenstein since 1995, and he continues to participate actively in various workshops, symposiums and artist exchanges in Indonesia as well as overseas.

Artist Statement

"I have no doubt that Art is an international Language for human beings to exchange emotions and express universalities. Art has given me the possibilities of combining the clear and definite north geometric lines with free and dynamic flow of south organic forms, as well as uniting the east and west energetic influences in my work until when I am working I can not see the borderlines between the north, east, south and west."
