Sin Sin Fine Art is proud to present a solo exhibition of **founder & artist Sin Sin Man: “Sparks”** from 21 November – 15 January 2018 at Sin Sin Fine Art & Sin Sin Atelier.

Everyday life is considered by Sin Sin Man a practice to achieve a state of enlightenment. She has always been meditating the unfathomable origin of the world and tries to balance the dualistic forces *yin* and *yang* – as an experience of cosmic harmony.

The constantly shifting patterns of these energies explain all natural phenomena. To be content as a human being, one must accept universal forces and the inevitability of change. With it comes harmony.

Sin Sin Man applies various media in her works including metal, wood, mirror, textile and light to emphasize simplicity, spontaneity and a natural appearance. Each art work represents a lifetime of hope, joys, fears and doubts – harmonized by the artist.

About Sin Sin Fine Art:

Sin Sin Fine Art is the first and main force in Hong Kong to bring Indonesian artworks to this city and open new windows for them to the international art scene. Sin Sin Fine Art focuses on contemporary art from all over the world that is spiritual and inspiring. The gallery cultivates a collection of works by selected international artists. Sin Sin Man considers herself a risk taker, in a sense that her selection of artists is based not on their market value but on their genuine visions and talents - no matter where they come from. This approach proved to be fruitful with many of the artists that later received recognition abroad.
